

Izhan Ur Rahman

BASIC CV

A versatile and experienced full stack developer proficient in both front-end and back-end technologies. With a solid foundation in HTML, CSS, and JavaScript for crafting intuitive user interfaces, coupled with expertise in server-side languages like Node.js and Python, adept at building robust and scalable web applications. Skilled in database management systems such as SQL and MongoDB, ensuring seamless data integration and retrieval. Adept at collaborating with cross-functional teams to deliver innovative solutions and passionate about staying abreast of emerging technologies to drive continuous improvement in development processes.
